Status Report 10-16-18.pdf

good morning Mrs. Rodriguez

i received this email from mr. androphy this morning

his response was dew on october 10th , today is the 16th. a friend of mine upstate past away and im out of town.

i had a lawyer that my family overseas paid tens of thousands of dollars to, she wiped them out, i don't understand why she was allowed to leave

both my cases without finishing them, if she don't finish the cases , i would like her to return the money she took from my family. i will inquire with the bar association about her leaving both cases

i don't know the law and i can't represent myself, i'm sure that this is what the other side lawyer was waiting for !.

i don't have a penny to my name, only worked 4 month in the last 3 and a half years,i have no bank account,

i don't even have cloth to wear to court.

are you trying to get me to live on the street ?

because i am almost there

truly yours

amir
